

Basic Detail Report

Title Columbus Circle 7th Ave IRT Station

Date 1969

Primary Maker Richard Welling

Medium Drawing; colored marker on paper

Description Drawing of a subway platform at the 59th Street-Columbus Circle station in New York City. There are people waiting on the platform on the left, a train approaching or departing in the center, and another train in front of the opposite platform. There is a "59" on a column on the left. On the verso, there are two other drawings, one of an antique car and the other of guitar players on the Staten Island Ferry.

Dimensions Sheet (height x width): 10 5/8 x 16 1/4in. (27 x 41.3cm)
