

Basic Detail Report

Title Outdoor Tree Being Decorated with Lights

Date 1965-2009

Primary Maker Richard Welling

Medium Drawing; black marker on paper

Description Drawing of an outdoor tree being decorated with strands of lights, possibly in New York City. There are several men pictured, working on hanging the lights. A bunch of lights are pictured hanging from a ladder in the foreground. There are what appear to be two cranes on the right, and a truck on the left. There is a building in the background.

Dimensions Sheet (height x width): 23 5/8 x 18in. (60 x 45.7cm)
