

Basic Detail Report

Title Steam pumper No. 3, known as Jumbo, South Main Street,

Hartford, April 5, 1901

Date 1901

Primary Maker William G. Dudley

Medium Photography; gelatin silver print on paper

Description Fire engine, probably powered by electricity, with a steam boiler for pumping water. A man in uniform sits at the wheel. Other firemen in uniform, including hats and badges, and boys in knickers stand on the sidewalk and on the street behind the engine. A three-story brick residential building, probably a multiple-family dwelling is in the right background. A barn or carriage house is in the left background.

Dimensions Primary Dimensions (overall height x width): 8 1/4 x 10 1/4in. (21 x 26cm)
