

Basic Detail Report

Title Bronze-colored drop earrings

Primary Maker Hannah Darrow Jerome

Medium metal, enamel

Description Bronze-colored drop earrings with an elongated drop of textured metal upon which a chain of circles outlined and connected with black enamel bars follows the shape of the earring. Above the drop is a round textured piece with a round enameled design to which is attached the metal wire for pierced ears.

Dimensions Primary Dimensions: (Length) 2 1/8in. (5.4cm)
