

# Basic Detail Report

## Title Medical Saddlebag

Primary Maker Dr. Cyrus Pendleton

Medium leather; metal; glass

Description Leather, medical saddlebag originally owned by Dr. Cyrus H.

Pendleton of Hebron, Conn. Inside the bag is an open storage area with five

leather compartments for bottles along the back side. All five glass medicine

bottles still remain in the bag, four are tall and empty, and one is short and has a

white powder. The bag is a round, oval-shape. (a) saddlebag (b-f) glass medicine

bottles
