Title Miniature Fire Place & Mirror

Medium brass/gold; metal; paper; glass

Description A miniature fire place with attached mirror that would have been used in the living room of a doll house. The mirror above the fire place has a rounded top and is plain with no decoration. The backside of the mirror is covered with a shiny aqua fabric. The top edge of the mantle is beaded. The fire place facing is stamped with a foliate design. The edge of the fire place hearth is beaded. On the top surface of the hearth and the mantle is a diamond design. The squares alternate between a shiny and matte finish.
