

Basic Detail Report

Title Shaving Stand

Primary Maker Unknown

Medium metal; glass; wood; ceramic; horse hair

Description A shaving stand consisting of a wooden base with a mirror attached

(a). The mirror is round and there is a clamp beneath the mirror for the shaving brush. The brush (b) has a metal handle and the bristles are probably horse hair.

On the base of the stand a metal holder is attached, so that the shaving mug (c)

will stay in place. The shaving mug has a metal outside and white, ceramic

interior. A round bar of soap is stored in the bowl. The base of the stand has four metal feet in the corners.

Dimensions Primary Dimensions (height of stand x width x depth of base): $11 \frac{1}{4}$

$\times 5 \frac{3}{8} \times 5 \frac{1}{8}$ in. ($28.6 \times 13.7 \times 13$ cm) Component (length of brush): $3 \frac{5}{8}$ in.

(9.2 cm) Component (height x diameter of bowl): $2 \frac{1}{4} \times 3 \frac{3}{4}$ in. (5.7×9.5 cm)
