

# Basic Detail Report

## Title Portrait of an Unidentified Elderly Woman

Date 1892

Primary Maker Richard S. DeLamater

Medium Photography; albumen print on paper on cabinet card

Description Half view studio portrait of an unidentified elderly woman, who is seated. She is wearing a black or dark color dress, a cameo is pinned at the center front of the neckline, and a white lace shawl with tassels is wrapped around her shoulders. The woman's hair is gray and parted at the center, and she is wearing a white lace cap on the crown of her head.
