

Basic Detail Report

Title Wallpaper, Phelps-Hatheway House

Date 1791-1795

Primary Maker Jacquemart et Bernard

Medium Wallpaper; colored inks probably block printed on paper

Description Piece of wallpaper panel from the Phelps-Hatheway House in Suffield, made by Jacquemart et Bernard with wood blocks made by Jean-Baptiste Réveillon. The background is a light blue-gray. There is a vase with a floral arrangement under an arch at the top of the panel. Birds and swags of fabric are in the middle, and at the bottom there is a seated female figure showing or handing something to a cherub.
