

Basic Detail Report

Title Connecticut Light and Power

Date 1935

Medium Lithography; printer's ink on wove paper

Description Farm machinery sits in front of a dilapidated barn with a cupola at the left. A second barn with a silo is at the right. A third barn is on a hill in the background among scattered trees and fields. Two metal towers of an electric power line are at the right. A drainpipe is on the corner of a frame house at the far right
