

# Basic Detail Report

## Title Man's Shoes

Date about 1965

Primary Maker The Sandal Maker

Medium Leather with metal tacks and brass buckle

Description Man's leather sandals, with a thick leather sole, shaped with squared corners in the back, straight along the inside foot edge, and in a quarter circle from the big toe to the outside of the foot. The layers of leather which constitute this sole are pegged with metal tacks around the edges. A half-inch leather strap laces around the foot from under the big toe and around the ankle, where it buckles.

Dimensions Primary Dimensions (height x width x depth): 1 x 4 1/2 x 12 1/4in.

(2.5 x 11.4 x 31.1cm)
