## Title Infant's Dress

Date about 1820-1830

Primary Maker Unknown

Medium Hand-stitched cotton and bobbin lace

Description Infant's dress of fine, white cotton, with a wide neckline controlled by a double drawstring. The short sleeves are decorated with a tuck edged with bobbin lace; the opening is also edged with bobbin lace. The sleeve is pulled up to the top of the shoulder and stitched, creating a draped effect. The waist is defined by two drawstrings, spaced about 3/4 inch apart. The hem is edged with bobbin lace. The dress opens for about 10 1/2 inches down the center back. It closes with the drawstrings.
