

Basic Detail Report

Title The Catterskill Fall, at Cattskill Mountains.

Date after 1867

Medium Lithography; printer's ink and watercolor on wove paper

Description A man stands on a large rock at the edge of a river. He holds a walking stick or a rifle with its end resting on the rock. In the background, a waterfall descends a rocky cliff in three distinct cascades, then flows over rocks and another small waterfall at the far right. Grass and additional rocks are in the foreground. Trees grow at the left and right. High hills or mountains are visible in the distance.
