

Basic Detail Report

**Title Mallory and Wendell Buildings, Historic Chain Cable and Cannon
in the Yard, Mystic Seaport, Mystic, Conn.**

Date 1930-1950

Medium Photomechanical print; photogravure on postcard

Description A cannon, a mortar, the inverted hull of a small boat, two signs, and a bell are on a grassy lawn surrounded by a large chain. A stone building with a gambrel roof, dormers, a chimney, quoins at the corners, iron railings, and steps leading to a door with side lights is beyond. A wing is at the right; a two-story frame building is at the left.
