

Basic Detail Report

Title Dress

Date 1968-1969

Primary Maker Norman Norell

Medium Synthetic fiber, possibly mixed with wool, plastic, metal hook and eye

Description Woman's dress of black jersey. The dress has a band collar and a 4-inch wide self-fabric belt, which fastens in the back with three, large, black, disk buttons. The only decoration on the front are the two pockets at the hips. The long sleeves are narrow and fitted smoothly into the armhole. The center back opening fastens with a 2 1/2" - long zipper, headed by hook and eye. Zippers also close the inside seams of the sleeves at the wrists. The dress is lined with black polyester (or other synthetic fabric). A woven tape label is stitched inside the proper left opening: "G. Fox & Co. / The Specialty Shop / FIFTH FLOOR."

Dimensions Dress (circumference x length from top of shoulder to hem): 42 x 46in. (106.7 x 116.8cm)
