## **Title** Woman's Bathing Suit with Sash

Date about 1925

Primary Maker Alice Barbour

Medium Machine-stitched wool and silk

Description Woman's bathing suit of black machine-knit wool. The pull-on suit has a scooped neckline front and back, and is sleeveless. The short legs are trimmed around the openings with a narrow border of silk printed with a floral design on a black background. The suit has a sash of the same printed silk, with the pointed ends bound with pink silk tape. Remnants of stitches suggest the likelihood that there was once elastic above the leg openings.
