

# Basic Detail Report

## Title Platter

Date 1839-1846

Primary Maker John & George Alcock

Medium Drape-molded earthenware with green transfer-printed decoration

Description Rectangular earthenware platter with green transfer-printed decoration in the "Roscius" pattern. The "Roscius" pattern consists of a loose grouping of flowers, including roses, in the center of the platter. The border, found at the rim of the platter, consists of a dense series of swagged leaves and abstract shapes inspired by neoclassical forms.

Dimensions Primary Dimensions (width x depth): 17 5/8 x 13 3/4in. (44.8 x 34.9 cm)
