Medium Pressed colorless lead glass

Description Pair of pressed colorless lead glass dishes, each with a scalloped edge with points between each scallop, ogee-shaped sides, and a circular foot.

There is a pattern pressed on the underside of each dish, beginning with nineteen rays, or petals, radiating out from a triple circle on the bottom of the dish. Two double rings of lines circle the side of each dish, one in the center of the side, and one where the side meets the rim of the dish. Each of the dishes has minor chips and nicks to the edge of the rim. Dishes .1-.5 deaccessioned in 2006.
