

Basic Detail Report

Title John Kilmartin Garage

Date 1944

Medium Drawing; pencil on paper

Description Drawing includes elevations of south, east and west facades.

Elevations show a one story building with three car garage and shingled, gabled roof. The building is made of brick and features two over two double hung sash windows with round arch lintels. The entrance has a vertical plank door with a four paned window.

Dimensions Sheet (height x width): 10 1/4 x 28 1/2in. (26 x 72.4cm)
