

Basic Detail Report

Title South End Bank & Trust Alterations

Date 1945-1953

Medium Blueprints; cyanotypes on paper

Description Designs for main floor and bank floor of a bank building show renovations and additions to the same space between 1947 and 1953. Changes include modifying entrance door, lowering floor level, and adding additional teller cages. Plans indicate the position of offices for bank officers and bookkeepers, a safe deposit room, fans, desks, vault, vestibule, closet, counters, and a revolving door.

Dimensions Primary Dimensions (image height x width): 14 x 22 1/4in. (35.6 x 56.5 cm) or smaller Sheet (height x width): 18 3/4 x 26 1/2in. (47.6 x 67.3cm) or smaller
