

# Basic Detail Report

## Title Charter Oak Bridge Construction

Date probably 1942

Primary Maker Helen Tobacco

Medium Photography; gelatin silver print on paper

Description View of construction of masonry bridge piers across the Connecticut River. In the foreground is a crane marked "Model 3500 / AMERICAN BRIDGE COMPANY / No. 11[illegible number]"; other cranes are in the water. The top of the first pier on the left has roadwork construction. On the right, a small boat with two men is in the river. In the upper center background is a tall electrical tower. Leafless trees are on the far shore.

Dimensions Primary Dimensions (image height x width): 2 3/16 x 24 1/16in. (5.6 x 61.1cm) Sheet (height x width): 2 3/4 x 4 9/16in. (7 x 11.6cm)
