

# Basic Detail Report

## Title Brooch and Matching Cuff Links

Date 1900-1920

Primary Maker Lewis Fox family

Medium Unidentified metal, glass

Description Woman's brooch (.a) and matching pair of cuff links (.b, .c). Brooch (.

a): has a design of a central domed glass with black and silver swirls set in a

textured gold colored bezel. This central element is flanked by smaller but the

same domed pieces of black and gray swirled glass. The brooch has a hinged pin

which fits through a hook. Cufflinks (.b,.c): Pair of cuff links consisting of the two

smaller sized pieces of glass connected by an s-shaped hook through links on

their backs.

Dimensions Component (brooch length x width): 2 1/8 x 1in. (5.4 x 2.5cm)

Component (cuff link length x width): 1 1/8 x 5/8in. (2.9 x 1.6cm)
