

Basic Detail Report

Title America's First Model Woolen Mill Town

Date 1947

Medium Ink and gouache with graphite on white wove paper mounted to board

Description A drawing of two men wearing hats and coats stand outside looking over a group of sheep. One of the men holds a cane, and there is a tree off to the right. There is a town in the distance with several buildings, including what look like houses, two churches, and a mill.

Dimensions Primary Dimensions (height x width): 15 x 21 15/16in. (38.1 x 55.7cm)
