Description Views and plan depict brick residential buildings on Park Terrace.

The buildings have balconies, porches, bay windows, friezes with terracotta decorations, and cornices supported by brackets. Some apartments have air conditioners in the windows. Leafless trees are in the yards. Iron fences and cement steps are in front of the buildings. Automobiles are parked on the street.

A fire hydrant is in the space between the sidewalk and the curb. Part of a pedestrian crosswalk is visible at the far left. A chain link fence is in back of the buildings. A clothesline with plastic clothespins on it is on one back porch.
