

Basic Detail Report

Title The Connecticut, Above Middletown

Date 1872-1874

Medium Wood-engraving; printer's ink and watercolor on wove paper

Description A man is seated beneath a large tree. Another man with pack on his back stands in front of him. Three men or boys are on the river bank. One of them holds a fishing pole. A row boat and a ferry boat are on the river. The ferry slip is visible in the background near a bridge and the buildings and church steeples of a large town.
