

# Basic Detail Report

**Title St. Patrick's Church, Bridgeport**

Date 1909-1911

Medium Drawings; black and red ink on paper

Description Drawings include plans for foundation and cellar, main floor, gallery ceiling, roof, basement and elevations of northeast side, southwest side and rear. Plans include baptistry, stair hall, chancel, organ loft, unfinished tower, slate metal porch roof, ribbed ceilings, aisle, vestibule and wood steps.

Elevations show building with Gothic Revival attributes including quatrefoil lintels with heavy hooded molding and pointed arch windows. The building also has intersecting gables with crosses, roundels, a rose window and trusses.

Scale for drawing is 1/8" = 1'0".

Dimensions Sheet (height x width): 16 1/2 x 28 3/4in. (41.9 x 73cm)
