

Basic Detail Report

Title House for Louis W. Slocum, 200 Whitney Street, Hartford

Date 1916

Medium Architectural Drawings, pencil on trace paper, with yellow guide lines.

Description Plans for a three story house, featuring a gable roof with projecting eaves. Other notable features include a large third floor dormer window, large front entry porch, and two rear porches, all supported by doric columns. The house features louvred double-hung sash windows primarily in the six-over-one, and four-over-one configurations with large tri-part windows on the North and Front Elevations.

Dimensions Primary Dimensions: 15 1/4 x 12 1/4in. (38.7 x 31.1cm)
