

Basic Detail Report

Title House for Wilbur C Walker, 49 Sycamore Road, West Hartford

Date 1924

Medium Drawings; penicil and black ink on linen tracing paper.

Description Plans for a two-story Tudor home with basement and attic. The house has stucco and stone facade, slate roof, and two chimneys. Shudders accent most windows, and there is a bargeboard above the front door. The drawinga include, front, rear, transverse section, and side elevations, and floor plans for basement, first, second, and attic levels. The basement has a coal room, laundry room, and toilet. Other sections are either empty rooms or unexcavated. Included on the first floor are a sun room, library, living room, hall, dining room, alcove, kitchen, butler's pantry, bathroom, and garage. Most of these rooms have Red Gum Oak flooring. The second level has five chambers (bedrooms), three bathrooms, six closets, and two wardrobes. The attic is comprised of two maid's rooms, one chamber, one bathrrom, three closets, and two unfinished sections. Many of these rooms have Pine flooring.

Dimensions Primary Dimensions (height x width): 13 13/16 x 28 3/16in. (35.1 x 71.6cm)
