

Basic Detail Report

Title General Highway Map, Hartford County, Connecticut

Date 1938

Medium Lithography; black printer's ink on paper

Description Map of South Windsor, East Hartford, Manchester, Glastonbury and

Marlborough, in Hartford County, Connecticut, from the town line of East

Windsor, the Tolland county line to the east, the Middlesex and New London

county lines to the south, and the Connecticut River to the west. Highways and

roads of various surfaces are prominently featured, with bridges; airways;

railroads; drainage systems (streams, rivers, marshes, reservoirs, lakes, etc.);

public, private and industrial buildings; and conservation and recreation areas

also depicted. The symbols and lines used to denote these features are

explained on the legend, located to the left of the map.

Dimensions Primary Dimensions (image height x width): 28 7/8 x 17 5/8in. (73.3 x

44.8cm) Sheet (height x width): 31 x 18 5/8in. (78.7 x 47.3cm)
