

# Basic Detail Report

## **Title Electric Utility Systems of Connecticut**

Date 1933-1955

Medium Screenprint and offset lithography; black and colored ink on paper

Description Map of the state of Connecticut, with the border of Massachusetts to the north, Rhode Island to the east, and New York to the west. The Long Island Sound is not labeled. The state is divided into colored sections presumably representing the different utility systems serving Connecticut. Steam generating stations, hydro generating stations and substations are labeled and depicted with symbols, and major transmission lines are shown with thick black lines.

Dimensions Primary Dimensions (image height x width): 10 1/4 x 13 1/2in. (26 x 34.3cm) Sheet (height x width): 10 7/8 x 13 7/8in. (27.6 x 35.2cm)
