

Basic Detail Report

Title Artist's Tool Caddy with Tools

Primary Maker Richard Welling

Description Equipment, drawing, and graphic design tools in a lazy susan style tool caddy. The caddy is round with four tiers arranged in a circle made up of compartments for holding tools. The lowest tier has six open bins, the next tier has twenty four vertical holes, the next tier has twenty vertical holes, and the top tier has a central round vertical container divided into three compartments. The caddy is made of reddish/orange plastic. The caddy holds a variety of artist's tool including paint burshes, compasses, pens, pencils, screw drivers, a magnifying glass, a spoon, and other objects.

Dimensions Primary Dimensions (height x diameter): 10 1/2 x 13in. (26.7 x 33cm)
