

Basic Detail Report

Title Hartford

Date after 1976

Medium Offset lithography; black and colored printer's inks on plastic

Description Raised relief map of most of Connecticut, excluding the portion of the state east of Norwich, and part of New York State. Contour lines and relief are used to convey elevation. Cities' names appear in text that varies in size according to population. Yellow is presumably used to denote populated areas. Roads are shown, with different lines used to indicate whether they are primary or secondary roads and their surface quality.

Dimensions Primary Dimensions (image height x width): 17 5/8 x 26 1/2in. (44.8 x 67.3cm) Sheet (height x width): 20 3/4 x 31in. (52.7 x 78.7cm)
