

# Basic Detail Report

## Title Chart of Long Island Sound

Date 1827

Medium Engraving; printer's ink on wove paper

Description Chart of Long Island Sound from New York Harbor to the west to Block Island to the east. The Connecticut coast is to the north and the coast of Long Island is to the south. Lighthouses are indicated. A small sailing vessel is depicted on a course between Fisher's Island and Great Gull Island. Soundings are given. Notations provide additional information such as "This reef sometimes dry" and "Good Fishing Ground." A scale of statute miles is at lower right.

Dimensions Primary Dimensions (image height x width): 6 3/4 x 17 1/8in. (17.1 x 43.5cm) Sheet (height x width): 8 1/2 x 18in. (21.6 x 45.7cm)
