

Basic Detail Report

Title Map of Lower Village, Willimantic, Connecticut

Date 1835

Medium Drawing; graphite, black ink, and watercolor on wove paper on fabric

Description Plan of the village of Willimantic on the Willimantic River. Buildings

include a sawmill, a paper mill, and a grist mill, and other unidentified buildings.

A quarry on the south side of the river, near the Jillson property is inscribed,

"This stone is gneiss. It is durable, strong, and / easily dressed, and a beautiful

material for / building. It is found here in inexhaustible / quantities." A bridge

crosses the river near the quarry. The turnpikes to Hartford and to Middletown

are labeled. Another road is labeled "Proposed Road" and another road is

labeled "Union Street." Arrows at lower left indicate true north and magnetic

north.

Dimensions Primary Dimensions (image height x width): 43 3/4 x 26in. (111.1 x

66cm) Sheet (height x width): 44 3/4 x 27in. (113.7 x 68.6cm)
