## Title The Harbor of New London

Date 1848

Medium Engraving; printer's ink on wove paper

Description Chart of New London Harbor and its approaches. The towns of New London and Groton are to the north, with the Thames River as far as Winthrop's Point and Winthrop's Cove. The chart extends as far east as the Poquannock River and Bushy Point Beach, and as far west as Goshen Point. Rapid Rock and Seaflower of Potter's Reef are to the south. Other features include the lighthouse at the entrance to the river, Eastern Point, Avery's Point, South West Ledge, Black Ledge, and Pine Island. The nature of the terrain on shore is indicated and roads, fields, and some buildings are shown. Elevation is indicated by hachure marks. Soundings are expressed in feet up to eighteen feet. Detailed sailing directions are at lower right.
