

# Basic Detail Report

## Title Map of Connecticut, Western Part

Date 1893

Medium Lithography; black and colored printer's inks on wove paper, lined with linen

Description Map of the western part of Connecticut extending to New Britain to the east. The eastern portion of New York along the Connecticut border to Unionville is also shown. The state is divided into counties and towns.

Transportation infrastructure is prominently depicted on the map, with roads, railroads and cycling routes depicted. The railroad lines shown include the New York, New Haven and Hartford; the Shepaug, Litchfield and New England; New York and New England; and the Reading Railroad System, New England Division.

Cycling routes are shown in red and are on roads. Physical features depicted include elevation, conveyed with contour lines; rivers; lakes; marshes; and islands.
