Title **Three Men in a Canoe in Canada**

Date 1900-1910

Primary Maker Horace Bushnell Cheney Sr.

Medium Photography; gelatin silver emulsion on plastic

Description View from behind of three men sitting in a canoe on a lake in

Canada. The men in the front and back are paddling. The man in the middle is

probably George F. Dominick. He is using his right arm to point to the right.

There are tree-covered mountains in the distance. The picture was probably

taken from another canoe, as the men are paddling in the middle of the lake and

water fills the foreground of the image.
