Title View From Above of Buildings and Water

Date about 1914

Primary Maker Horace Bushnell Cheney Sr.

Medium Photography; gelatin silver emulsion on plastic

Description View from above of buildings and a lake or river. There is a line of trees in the foreground, then a line of buildings along the edge of the water.

There is a large boat in the water. To the left and right there are bits of land, but in the left-center the water appears to extend to the horizon line.
