Description View of thirteen men and women standing in groups or milling around on a path outside of "Big Red," the Frank Woodbridge Cheney House in South Manchester, Connecticut, on Easter. One of the men, to the left, appears to be wearing a uniform and corresponding hat. The house has a wrap-around porch, and there are leafless vines climbing up the beams that are supporting its roof. There are several outdoor chairs sitting on the porch. A mid-sized dog stands on the pathway outside the house, in the bottom left corner of the image.
