

# Basic Detail Report

## **Title Bridgeport.**

Date 1834

Primary Maker John Warner Barber

Medium Drawing; pencil on paper

Description Rough sketch of Bridgeport, from across Bridgeport Harbor. The bridge across the harbor, which operated as a drawbridge, is at the right. In the background, a few buildings are faintly indicated and labeled "Range of Stones & Brick" and "Sterling Hotel I believe." A tall building by the bridge is labeled "Higher than."

Dimensions Sheet (height x width): 6 11/16 x 7 7/8in. (17 x 20cm)
