

Basic Detail Report

Title New Milford.

Date 1835

Primary Maker John Warner Barber

Medium Drawing; pencil on paper

Description Central Street of New Milford lined with houses and stores. To the right the ancient "Episcopal" Church is labeled (it was torn down around 1835). The 2nd building with a steeple is the New Congregational Church erected in 1833. Down the street in the center lies the "Town and School House." In the upper left hand corner is a more detailed sketch of the left side of the street.

Dimensions Primary Dimensions (overall height x width): 7 1/16 x 10 1/4in. (18 x 26cm)
