

Basic Detail Report

Title Phoenix National Bank Building

Primary Maker Unknown

Description Black and white photograph with view of the Pheonix National Bank

Building, formerly at 803 Main Street, from the opposite side of Main Street,

Hartford, Connecticut. There is scaffolding visible in the main entrance of the

building, and pedestrians, automobiles, and trolley tracks in the foreground.

The view of the Pheonix National Bank Building is slightly obstructed by the

overhead lines used by trolleys. Building is no longer extant.

Dimensions Primary Dimensions: $7 \frac{15}{16} \times 9 \frac{15}{16}$ in. (20.2×25.2 cm)
