Description Carte de visite in a daguerreotype or ambrotype case of a woman who is probably Lucy Stockbridge Burdett. She is young, probably in her twenties. It is difficult to tell whether the bodice of her dress is in view, or whether it is a cape or other outer garment. Regardless, it is trimmed with a lace collar. Her hair is parted in the middle and fashioned into what appear to be buns that cover her ears, with a braid crossing the crown of her head.
