## Title Eve

Date 1930-1940s

Primary Maker Luman Pierre Kelsey

Medium Cast artificial stone

Description Sculpture made of hollow reddish-brown "cast stone," an artificial stone material made of lime and a polyester binder, that was cast in a mold. The abstract, elongated female figure has a narrow, curved top that swells gradually to the bottom of the sculpture. The sculpture has no prominent features other than breasts, located about one-third of the way down the sculpture. The surface of the sculpture has some pitting. A tape label is adhered to the outside of the sculpture, near the bottom. "EVE/ LuMAN P. Kelsey" is hand-written in pencil on the tape.
