Description Map of Middlefield, Connecticut, from the town line of Middletown

to the north and east, the town line of Durham to the south, and the New Haven

county line to the west. Middlefield is split into four districts, the North, Rockfall,

East and South. The map depicts land lots, labeled with the owner's name.

Buildings are indicated with closed black squares. One cemetery is colored

green. Natural features include elevation, conveyed with hachure marks, and

ponds. The Air Line Railroad runs through the town.
