

MAP
of the Northern Part of the
STATE OF MAINE
and of the adjacent
BRITISH PROVINCES.

*Showing the portions of that State to which General Brien's title claims
Relieved from the original sketch with corrections from the latest surveys by
J. B. Smith: London: 1810.*

A. The boundary line of the State as extended by the United States
B. The boundary line of the State as extended by the United States
C. The boundary line of the State as extended by the United States
D. The boundary line of the State as extended by the United States
E. The boundary line of the State as extended by the United States
F. The boundary line of the State as extended by the United States
G. The boundary line of the State as extended by the United States
H. The boundary line of the State as extended by the United States
I. The boundary line of the State as extended by the United States
J. The boundary line of the State as extended by the United States
K. The boundary line of the State as extended by the United States
L. The boundary line of the State as extended by the United States
M. The boundary line of the State as extended by the United States
N. The boundary line of the State as extended by the United States
O. The boundary line of the State as extended by the United States
P. The boundary line of the State as extended by the United States
Q. The boundary line of the State as extended by the United States
R. The boundary line of the State as extended by the United States
S. The boundary line of the State as extended by the United States
T. The boundary line of the State as extended by the United States
U. The boundary line of the State as extended by the United States
V. The boundary line of the State as extended by the United States
W. The boundary line of the State as extended by the United States
X. The boundary line of the State as extended by the United States
Y. The boundary line of the State as extended by the United States
Z. The boundary line of the State as extended by the United States
