Description Hand puppet of a duck composed of a cloth body and a papier-mâché head painted (probably using watercolor) white and green with a pink bill and black lines around and between the eyes. Its eyes consist of two identical marquise-shaped buttons made of a yellow metal (possibly brass) with an oval synthetic gemstone, probably composed of a blue paste, inserted at the center. The body, two wings, and the sleeve that conceal the puppeteer's arm and wrist are made of a gray cotton fabric. The legs and feet are made of orange wool felt. A dark green cotton handkerchief is tied around his neck.
