

# Basic Detail Report

**Title Seymour Paper Mill, Windsor Locks.**

Date 1880-1890

Primary Maker Northern Survey Company

Medium Photography; albumen print on paper on cardboard mount

Description Southeast view of Seymour Paper Mill. Large multi-building industrial complex of primarily brick multistoried structures including two cupolas on separate buildings and several smokestacks; the tallest to the left of the large cupola. The Connecticut River is in the background and the Enfield Canal in front of the mill. A railroad track of the New York, New Haven and Hartford Railroad parallels the opposite side of the canal with telegraph poles /wires following it, boxcars and gondola freight cars. A street with multistoried commercial buildings is on the right of the photo - and includes people with
