## Title Horace Bushnell

Primary Maker Horace Bushnell

Medium Oil on canvas

Description Three-quarter length full-faced portrait of Horace Bushnell, painted by an unknown artist, and depicting the subject in middle age. He is seated in a high back red arm chair, his hair and sideburns slightly gray. He is wearing a

# Basic Detail Report

maroon and black dressing gown over a black suit, white shirt, and white bow

tie. His left arm rests on the arm of the chair; his right hand, holding a quill pen,

rests on a pad of paper on a green-topped table. The right background is a dark

green drape, revealing at the left background shelves partially filled with books.

Dimensions Primary Dimensions (height x width): 44 1/2 × 35in. (113 × 88.9cm)
