

ERIE

Map of Erie County, New York, showing townships, ranges, and land parcels. The map is oriented with North at the top. The title 'ERIE' is written in large letters across the top. The map is a historical document, likely from the 19th century, showing land ownership and boundaries.

Title A Map of the Connecticut Western Reserve

Date 1798

Primary Maker Seth Pease

Medium Engraving; black printer's ink on laid paper lined with Japanese paper

Description Map of the Connecticut Western Reserve in what is now Ohio, from

Lake Erie to the north, Venango Creek and Big Beaver River to the west,

Tuscarawas Branch of the Muskingum River to the south, and the Cuyahoga

Basic Detail Report

River to the west. The land is divided into fourteen rows and twelve columns, all referred to as "ranges." Some of the resulting squares have names and some do not; additionally, some are divided further into numbered sections, divided with dotted lines.
